Above you will note the dates, times and places of our Saskatchewan and Alberta Workshops for 2013. For those of you who have attended in years past, you will be familiar with the workshop content and the types of information we bring you every year. For those who are new this year, be sure to attend and take part in this valuable information-sharing event. There is no registration fee, and we provide breakfasts everyday and refreshment breaks in the mornings and afternoons. We ask that you book your own travel and lodging, which as in other years will be your own responsibility. The contact numbers and negotiated room rates are listed above.

Call us at 1-800-667-4712 and register for the Saskatchewan workshop by August 23rd or the Alberta workshop by August 30th and your name will go into our Early Bird draw for 2 nights' accommodation at the hosting hotel at our expense. If you miss these deadlines, be sure to get your registration in by no later than August 29th and September 4th respectively so that we know how many guests we will have and how many breakfast meals we need to order. Not all of my invited Speakers have confirmed, so I have not attached the Agendas. I do assure you that we will have our usual excellent array of topics and presenters.

Between now and the workshop dates please canvass your staff members and find out what types of questions they need answers to. Make note of those questions, and raise them at the workshop. We look forward to seeing you in Prince Albert or Edmonton!
